

Cristal 1882 Pet container g 3000, Beans

To celebrate 120 years of tradition, Caffè Vergnano have presented their finest beans, those large and prized of Nicaragua Maragogype.

Richer, because they grow on the top of the plant where exposure to the sun is greater and ripening perfect. Carefully selected, because the red berries of the Nicaragua Maragogype are individually picked by hand and the beans are firstly dried in the open air and then packed in sacks at the plantation. A superior and exclusive blend made up of the six finest varieties of coffee in the world, dedicated to connoisseurs in search of prolonged satisfaction in their coffee. The quality controls and hi-tech PET packaging systems guarantee the freshness and integrity of the product before your very eyes, from the roasting to the cup.
