

MOORE'S CREEK SPARKLING BRUT NV

The Moore's Creek range of wines takes its name from the spring fed creek that runs from the Brokenback Range through our HVD (Hunter Valley Distillery) and Penfoldvale vineyards.

This wine brings our Semillon expertise to the world of sparkling wine and presents a delicious, refreshing wine, ideal for any occasion.

Like all other wines in the Moore's Creek range, this Sparkling Brut is designed for immediate drinking.

TASTING NOTES

Moore's Creek Sparkling Brut is made from predominantly Semillon grapes grown in the Hunter Valley. A blend of both young and old vintages ensures consistency in both quality and style in this wine.

This wine was fined with a natural milk product traditionally used by Tyrrell's and minor traces may remain.

WINEMAKER'S NOTES

The grapes were harvested in early February and the juice was separated from the skin and settled prior to fermentation. The juice was fermented in stainless steel tanks and then left on lees for further complexity. The resulting was fined prior to bottling.

Alc 10.0%
