

## MOORE'S CREEK SEMILLON SAUVIGNON BLANC (SEALED WITH A SCREWCAP)

# 2005

The Moore's Creek range of wines takes its name from the spring fed creek that runs from the Brokenback Range through our HVD (Hunter Valley Distillery) and Penfoldvale vineyards.

Although the Moore's Creek wines are no longer from the Hunter Valley, they are designed for immediate drinking. With the different styles within the range they are suitable for a multitude of occasions and food styles.

### WINEMAKER'S NOTES

This wine is made from a blend of Semillon and Sauvignon Blanc fruit sourced from premium vineyards across Australia. The separate parcels of fruit were harvested and transported to the Hunter Valley where both were crushed and fermented. To retain all the crisp fruit flavours the separate parcels (Semillon and Sauvignon Blanc) were blended and bottled with a screwcap finish.

### TASTING NOTES

A lively, fresh wine characterised by the grassy aromas of the Sauvignon Blanc with clean lemon citrus Semillon flavours on the palate. The Semillon is fuller palate structure has added weight to the wine, which has good length of flavour and ends with a zesty, citrus finish.

Alc.Vol 12.5%
