

# SAN PELLEGRINO ACQUA PANNA

Country: Italy

Category: Mineral Water

Winery: San Pellegrino

Type: Mineral Water

Tasting Notes: Natural Spring Water comes from a spring source located on a vast, natural reserve. Its smooth, light, soft and velvety taste cleanses the palate and refreshes the taste buds. Acqua Panna is a non-sparkling, natural spring water with low mineral content. Acqua Panna caresses the palate and enhances the flavors of food and wine. Comes in crown and stelvin cap.

Vintage: N/A
