

VOX VODKA

Country: United States

Category: Vodka

Winery: Vox

Type: Spirits

Tasting Notes: The clarity of VOX is attained by using demineralized water produced through a careful process of reverse osmosis to remove all traces of color and odor. Vox is created from meticulously selected grains of the highest quality, then distilled five times. This exacting, time honored process ensures an exceptionally smooth taste, clean finish, and vibrant clarity by which all other vodka brands should be judged. VOX vodka, the voice of perfection.
